marathon
C-U There!
 Saturday, April 30, 2011

This year's race is shaping up to be the best yet!

Special guests this year will be Frank Shorter and Lorraine Moller, both Olympian Marathon runners. Shorter was the only U.S. athlete to have won two Olympic medals in the marathon (Gold 1972, Silver 1976). Moller won the bronze medal in the 1992 Barcelona Olympics and is the only woman in the world to have competed in each of the first four Olympic marathons for women.

Be mindful that the staggering of the 1/2 and full marathon will interrupt traffic longer than the previous year.

Join The Atkins Group on Stone Creek Blvd to support the athletes.
